Isaiah 12

In that day.... Get the context of chapter 11 Isaiah chapter 11 spoke powerfully of the reign of the Messiah as king over all the earth. This brief chapter of praise comes from the heart of the one that has surrendered to the Messiah as king and enjoys the benefits of His reign.

**Salvation is not some "dry doctrine" but the "Divine Deity!"**

If there is a man or a woman that thinks of salvation as if it were merely a shutting up of some material hell, or the dodging round a corner, so as to escape some external consequence of transgression, **let him or her learn this: the possession of God is salvation; that and nothing else!** Alexander Maclaren

🌐 It's a S\_\_\_\_\_ Praise the LORD, call upon His name: This is an exhortation to praise, and an encouragement to worship the LORD and trust in Him. The worshipper has received from the wells of salvation, and now that living water is flowing out of him, encouraging others to worship and trust in the

LORD. Declare His deeds...Make mention that His name is exalted: The worshipper can't stop talking about God's greatness and the great things He has done.

**Singing praise to the LORD.**

"We ought not to worship God in a half-hearted sort of way; as if it were now our duty to bless God, but we felt it to be a weary business, and we would get it through as quickly as we could, and have done with it; and the sooner the better. No, no; 'All that is within me, bless his holy name.' Come, my heart, wake up, and summon all the powers which wait upon thee! Mechanical worship is easy, but worthless. Come, my heart, wake up, and summon all the powers which wait upon thee! Mechanical worship is easy, but worthless. Come, rouse yourself, my brother! Rouse thyself, O my soul! "Spurgeon"
